Your scores

Skill	Score	Band	Level
Listening	8 out of 40	3.5	A2
Reading	6 out of 40	3.0	A2
Writing	—	4.5	A2+
Speaking	—	3.5	A2
Overall		**3.5**	**A2**

This is a practice test, not an official IELTS result. Your writing band comes from the essays you wrote in class.

What you do well

- You organise your essays well. You use good linking phrases: *When it comes to…*, *All in all…*
- You have good ideas and you give your opinion clearly.
- You got all the numbers and times right in Listening Section 1.
- True / False / Not Given was your best reading task: 3 out of 4 correct.
- You are not afraid to speak. You keep trying to say what you mean.

What to work on

1. Every sentence needs a verb

In English, we need **is / are** in sentences like these. Check every sentence you write.

You wrote	Correct
Social media important place.	Social media **is** important.
Today fake news common.	Today fake news **is** common.
It's can't do without it.	We **can't** live without it.

2. He / she / it → verb + s

With **he, she, it** and one person or thing, add **-s** to the verb. With **everything / everyone**, also add **-s**.

Wrong	Correct
She work in a hospital.	She **works** in a hospital.
It make me happy.	It **makes** me happy.
People is busy.	People **are** busy.
Everythings needs to be prepared.	**Everything** needs to be prepared.

3. The "th" sound

- Put your **tongue between your teeth** and blow air out gently.
- Practise these pairs. Say them slowly, then fast:

Not this	This	Not this	This
sink	**th**ink	day	**th**ey
tree	**th**ree	dose	**th**ose
tank	**th**ank	zis	**th**is

Record yourself on your phone, listen, and try again.

4. Spelling

In IELTS, a word with a spelling mistake gets **zero**. Learn these words first:

You wrote	Correct	You wrote	Correct
websait	website	wether	whether
shoping	shopping	technolgy	technology
villag	village	usfull	useful
managment	management	unfortunatly	unfortunately
coffe	café / coffee	behing	behind

5. Write short, clear sentences

Short correct sentences get a higher band than long sentences with mistakes. Use this pattern: **subject + verb + the rest**.

Long and unclear	Short and clear
It's in future come to without ability. Becoming their social hostage.	In the future, people **will not be able** to live without social media. They **will become** its prisoners.

IELTS test tips

Listening

- Read the questions before the recording starts. Underline the key words.
- Check the word limit. "No more than two words" means two words.
- Check plurals: *photograph* or *photographs*?
- Do not change an answer unless you are sure. Your first answer is often right.
- If you miss a question, move on. Do not lose the next ones. Never leave Section 4 empty: always write a guess.

Reading

- Before you read, look at each gap and ask: **Is it a noun, a number, a place or an adjective?**
- Do not copy the word next to the date. Find the word that completes the **meaning**.
- Example: "In 1992 the boat was found during the building of a ___." The answer is a thing you build: **road**.
- Never leave an answer blank.

Your study plan

Every day (20–30 minutes)	Every week
• Learn 5 words from your spelling list • Practise "th" for 5 minutes and record yourself • Speak for 1 minute about a familiar topic (family, work, your city) • Write 5 sentences and check each one for a verb	• One Listening Section 1 or 2, with a spelling check • One reading passage: label the gaps first • One 150-word paragraph, written with a timer, without a phone • Bring your writing to class

> Your organisation and ideas are already good. Now we will make your sentences correct and your answers accurate. Practise a little every day, and you will see progress. Well done, Najmiye!
